# Helping Mobile Technicians Work More Effectively by Providing Organized Storage Solutions

## At Ranger Design, we believe more is possible.

We believe work vehicles and the technicians that drive them can become more organized, more efficient, more productive and more profitable. At Ranger Design we're committed to bringing you the products and services that make that possible.

More means helping you choose the right work van for your

application, as well as giving you engineering support and expert advice to help design the most efficient work space in your new vehicle.

More also means getting that new van outfitted and on the road faster, so you can start using it for the reason you bought it.

We're committed to bringing you more, because we believe more is possible.

**MORE IS POSSIBLE**

# World Class Customer Service

## Real people, ready to answer in 2 rings or less\*

We are pleased to offer efficient, personalized service and to answer all questions regarding:

- › Pricing/Quoting
- › Product install
- › Order status
- › Consultation
- › Shipment status
- › New product availability
- › Product specifications
- › Warranty claims
- › Returns/Restocking
- › Vehicle specifications

\*Call customer service and the phone will be answered in 2 rings or less. Yes, a real, live person working in one of our offices in North America is available to answer your questions. No automated attendant. No complicated phone tree and offshore service. Call us to experience the difference.

# PLAN YOUR VAN OUTFIT

## INSIDE ROOF HEIGHT

To determine the maximum shelf height that can be used in the van.

## PARTITION DEPTH

This indicates the space taken up by our partition for this vehicle. Please note that this measurement is determined by the partition that encroaches the most. Some partitions may take up less space. Take note that this measurement may not necessarily be on the floor.

## DOOR OPENING

To determine where shelving will land in relation to the door opening. Use this measurement to determine the space available for drawer units.

## DIMENSIONS IN RED

These dimensions indicate unique measurements for each wheelbase. Use red dimensions to determine the exact wheelbase of your van.

## FLOOR SPACE

This area is usable floor space but due to curvature of the van there may not be the same available area at the roof. Please measure actual van for specific measurement at roof.

### SAMPLE LAYOUT GUIDE

# IT'S MORE THAN A FLOOR

Ranger Design's unique flooring system with integrated aluminum mounting tracks provide a flush surface, making it easy to install a variety of Ranger Design shelving, equipment and accessories.

Ranger Designs' custom-fit rigid flooring system is available for every type of service van. Designed to provide added safety and quieter ride, these impact and puncture-resistant floors give your van a professional look.

Unique benefits of these flooring products include:

- › **Economical** – because the flooring has integrated mounting tracks for the price of a regular floor
- › **Safer** – due to the integrated track, improved load distribution and noise reduction
- › **Improved van resale value** – durable professional looking and protects the vehicle
- › **Efficient** – 3 panel floor installed in 45 minutes by one person and easy to maintain

## PROTECTION

The floor protects your vehicle and prevents damage to the factory floor.

## SAFETY

Due to the integrated track, improved load distribution and noise reduction.

## EFFICIENCY

Custom-fit easy to install by one person.

Impact and puncture resistant floors preserve the cargo van interior.

# SAFETY PARTITIONS

Impact tested safety partitions protect the most important asset: you

Ranger Design safety partitions provide a solid and secure barrier between the occupants of the van and the cargo.

Built from heavy gauge steel, aluminum and thermoformed ABS and polycarbonate, they are designed for maximum impact resistance and uphold a standard of safety set only by Ranger Design products.

Ranger Design partitions also provide a more comfortable environment for the driver by giving more seat travel and by not rattling as the vehicle drives down the road.

## SAFE

Designed for maximum impact resistance. Proven by impact testing.

## EFFICIENT

1. Contoured to maintain seat travel and ensure driver comfort. 2. Contoured to capitalize on cargo area floor space.

## QUIET

Thickness of material cancels vibrations.

**TOUGH**

Proline drawers are backed by a 10 year warranty.

**QUICK**

Easy to use slam latch.

**SECURE**

Keyed lock to guard valuables.

# DRAWERS

Durable storage compartments, designed for quick and easy access.

- AXESS TRAYS . . . . . P. 40
- COMPACT DRAWERS . . . . . P. 44
- DRAWER CABINETS . . . . . P. 43
- PARTSKEEPERS . . . . . P. 45
- PARTSLIDERS . . . . . P. 43
- TOOL DRAWERS . . . . . P. 46

Ranger Design manufactures a variety of tough, quiet drawer systems and storage modules. Using top quality components such as full-extension, high-capacity ball-bearing drawer slides, secure locks, and Ranger Design’s unique braided stainless steel cable-pull handles. These drawers are the organizational quality that you deserve.

If you never again want to experience the frustration of drawers that jam, sag, and don’t latch properly, we have the solution.

INTRODUCING THE NEW RANGER DESIGN

# SEAT COVERS

## OUR KEY ADVANTAGES INCLUDE:

- › Durable material and easy maintenance
- › Urethane coating to make the fabric water and stain resistant
- › Machine wash and dryer safe
- › Easy installation of 30 minutes or less for a set
- › No interference with factory seat functions (heating, cooling or air bag)
- › Minimal seams
- › Tight custom fit for each vehicle, guaranteed to stay in place
- › Puncture resistant to prevent seat damage
- › Durable Cordura® fabric with a 1 year warranty

**THE PERFECT FIT**  
FOR YOUR TOUGHEST JOBS

**RANGER**<sup>TM</sup>  
DESIGN

*Our Promise: To Help You Work More Effectively by Providing Organized Storage Solutions.*

# LADDER RACKS

Ergonomic Ladder Racks make loading and unloading easier.

Ranger ladder racks make loading and unloading ladders an easy operation. Ranger Design offers drop-down ladder racks for high roof vans, extra tough racks capable of carrying 28' ladders on compact vans, interior ladder carriers and many other options for different applications.

## TOUGH

Military grade aluminum extrusion, high density plastic and stainless steel components ensure no corrosion over the lifetime of the rack.

## QUIET

Aerodynamic design with minimal wind noise.

## SAFE

No metal contact to ladder, leading to longer life of ladders with less chance of fiberglass splinters.
